Love and Light in the Mountains

The Church Leadership Department
presents the

Congregational Consultant Program

providing expanded
Leadership Development Services
to congregations within the District

WHO ARE THE CONSULTANTS?

Our consultants have been selected by the Church Leadership Department from both lay people and ministers of our District congregations. They have a deep commitment to healthy congregational life and to strengthening Unitarian Universalism. Each consultant brings a particular set of skills and interests from their work and volunteer experiences. They have participated in an Inter-District Training program and have made a commitment to continued training in the years ahead.

WHAT SERVICES DOES THIS PROGRAM PROVIDE?

Mission Development, Vision Development and Strategic Planning

A clear and meaningful mission statement, a shared, dynamic vision for the future, and well-developed plans for moving toward that vision are vital to a congregation's health.

Leadership Development

Are your congregation's leaders selected, trained and supported to be committed, effective leaders? Philosophies and processes for a heightened level of lay leadership are available.

Retreat Facilitation

Retreats create bonds of trust, good communication skills, deepening commitments, clear, achievable goals, and relationship covenants. Church Boards, Search Committees and other leadership groups are strengthened by such work.

In addition to this team of consultants, the District can offer:

Financial Consultations

Guidance is available on issues of congregational accounting, organization of financial duties, budget presentation, management of endowment funds, the financial aspects of canvass, capital campaigns, planned giving and insurance, and other financial matters.
