

The ABCs of Leadership Development

Abundance to be released
Beyond Burnout
Cultivating Excellence

A workshop on Leadership Development – Philosophies and Practices

Facilitated by
Rev. Jeanne Nieuwejaar, NH-VT District Executive

The workshop is available to clusters of two to four congregations at a time and place convenient for you. Four to six hours should be scheduled to allow for full exploration of these important matters.

Changing your congregation from a culture of scarcity and reluctance in leadership patterns, to one of

joyful eagerness to serve
pride and honor
careful selection, strong support, and appropriate training
an abundance of creative and effective leaders

Bringing new models to your congregation

healthy structures -- by-laws and budgets
from nominating committee to leadership development committee

Awakening to more effective board and committee functioning

mission based
respectful
productive

Who should attend?

Board members, nominating committees, long range planning committees, other committee chairs, ministers, and any lay leaders present or potential.
